
Focus Letter Pattern: TION

Lesson Difficulty Level: 5

There are approximately 4000 words in the English language containing the letters TION.

STEP 1: Using hints, work with your students to generate the following words and fill in the word work matrix. Be sure to define each word and use it in a sentence as you write it in the word-work matrix.

1. MOTION
2. EMOTION
3. EDITION
4. AUDITION
5. SOLUTION
6. DONATION
7. DURATION
8. CONDITION
9. CREATION
10. DETENTION
11. DECEPTION
12. FORMATION

STEP 2: When the word-work matrix is completed, have the students chant the words aloud 3 or 4 times to build rapid and proper pronunciation.

STEP 3: Quickly call out words at random, and have the students tell you what cell each word is in. For example, if you say DETENTION, the students should tell you it's in box 10. Or if you say DONATION, the students should say it is in box 6.

STEP 4: Read the following sentences aloud and have the students figure out what word belongs in the blank space:

- If you lie to somebody, that's an act of _____.
- I want to try out for the play, but I'm nervous about the _____.
- Every Christmas, we give our church a generous _____.
- When you add salt to water, you end up with a _____.
- I was getting sick in the boat because of all of the _____.

STEP 5: In the spaces below the word-work matrix, have students generate other words that contain the letters TION. To make it more interesting, tell them you will be very impressed with students who come up with really unusual and sophisticated vocabulary words. See if the students come up with words like AUCTION or ADOPTION. If they can't, encourage them to simply modify one of the words you have already discussed with a prefix or a suffix, or think of a compound word that contains one of the words from today's lesson.

STEP 6: Have the students generate an original sentence correctly using at least two of the words from the lesson.
